SEIZURES

DETERMINE TO SUCCEED

Robed in white and blue we stand,
Chins set as high as our youthful aims.
Leaving behind the familiar lands
Of parties, dances, and basketball games.

No more the familiar ring of the bell
That sends us off to another class.
No more the exciting football yell
Of loyal voices for a forward pass.

We leave behind the noisy sounds
Of pep rallies, band, and study hall.
We step into the noisier bounds
Of an atomic world grown strong and tall.

We enter this world to form new lives
And to build our homes in future years.
We'll fill them with the love that survives
All trouble, hurt, disappointment, and tears.

We may become people of richness and wealth.
We may become scientists and blow the world wide.
We may be the doctors who'll save someone's health
We may become parents with love, hope, and pride.

We bravely look forward to fulfillment of dreams
Of future made good by our chosen creed
And do, we the class of fifty-six, scheme
Anew with our pledge to - DETERMINE TO SUCCEED.

This annual staff put in many hours to make this yearbook a success. Major crises were few although little problems were numerous.

In this Bears' Tale of 1956 we have attempted several new things: sponsored pages, more and better photographs of the students at work and play, enlarged sports and activities sections, and a daring cover and division pages.

Our work was at times boring but usually it was fun. We must acknowledge the assistance and encouragement of our sponsors, Miss Lindsay and Mr. Zimmerman.

For most of the pictures, our thanks go to the Dickens-Wonders Studio, Fostoria, Ohio. Other photographs were taken by Mr. Melvin Pippert and Mr. Dan Rose.

ABOVE: The cheerleaders lead the Seniors at Class Day.

LEFT: Some of the guys got together for a picture on Class Day.

Always individual, the class of '56 had two new points in their services—organ music and placement of class on the stage. Baccalaureate services were held May 20th for the graduating class of 1956. Reverend Charles Cory gave the sermon. The Seniors were further honored by the student body on Class Day, May 20. The class graduated on May 25th, 1956. Dr. Clyde Hissong gave the address.

FIELD DAY

After several delays, the field was held one sunny May afternoon. In the junior high division the eighth grade girls and the ninth grade boys finished first. In the senior high division the junior girls and the senior boys took the top honors.

Early in September the student body was impressed with a car safety demonstration. A faculty member, a policeman, and several students participated.

OTHER SCHOOL SCENES

The officers of F. H. A. and of F. F. A. are shown here making for their dance.

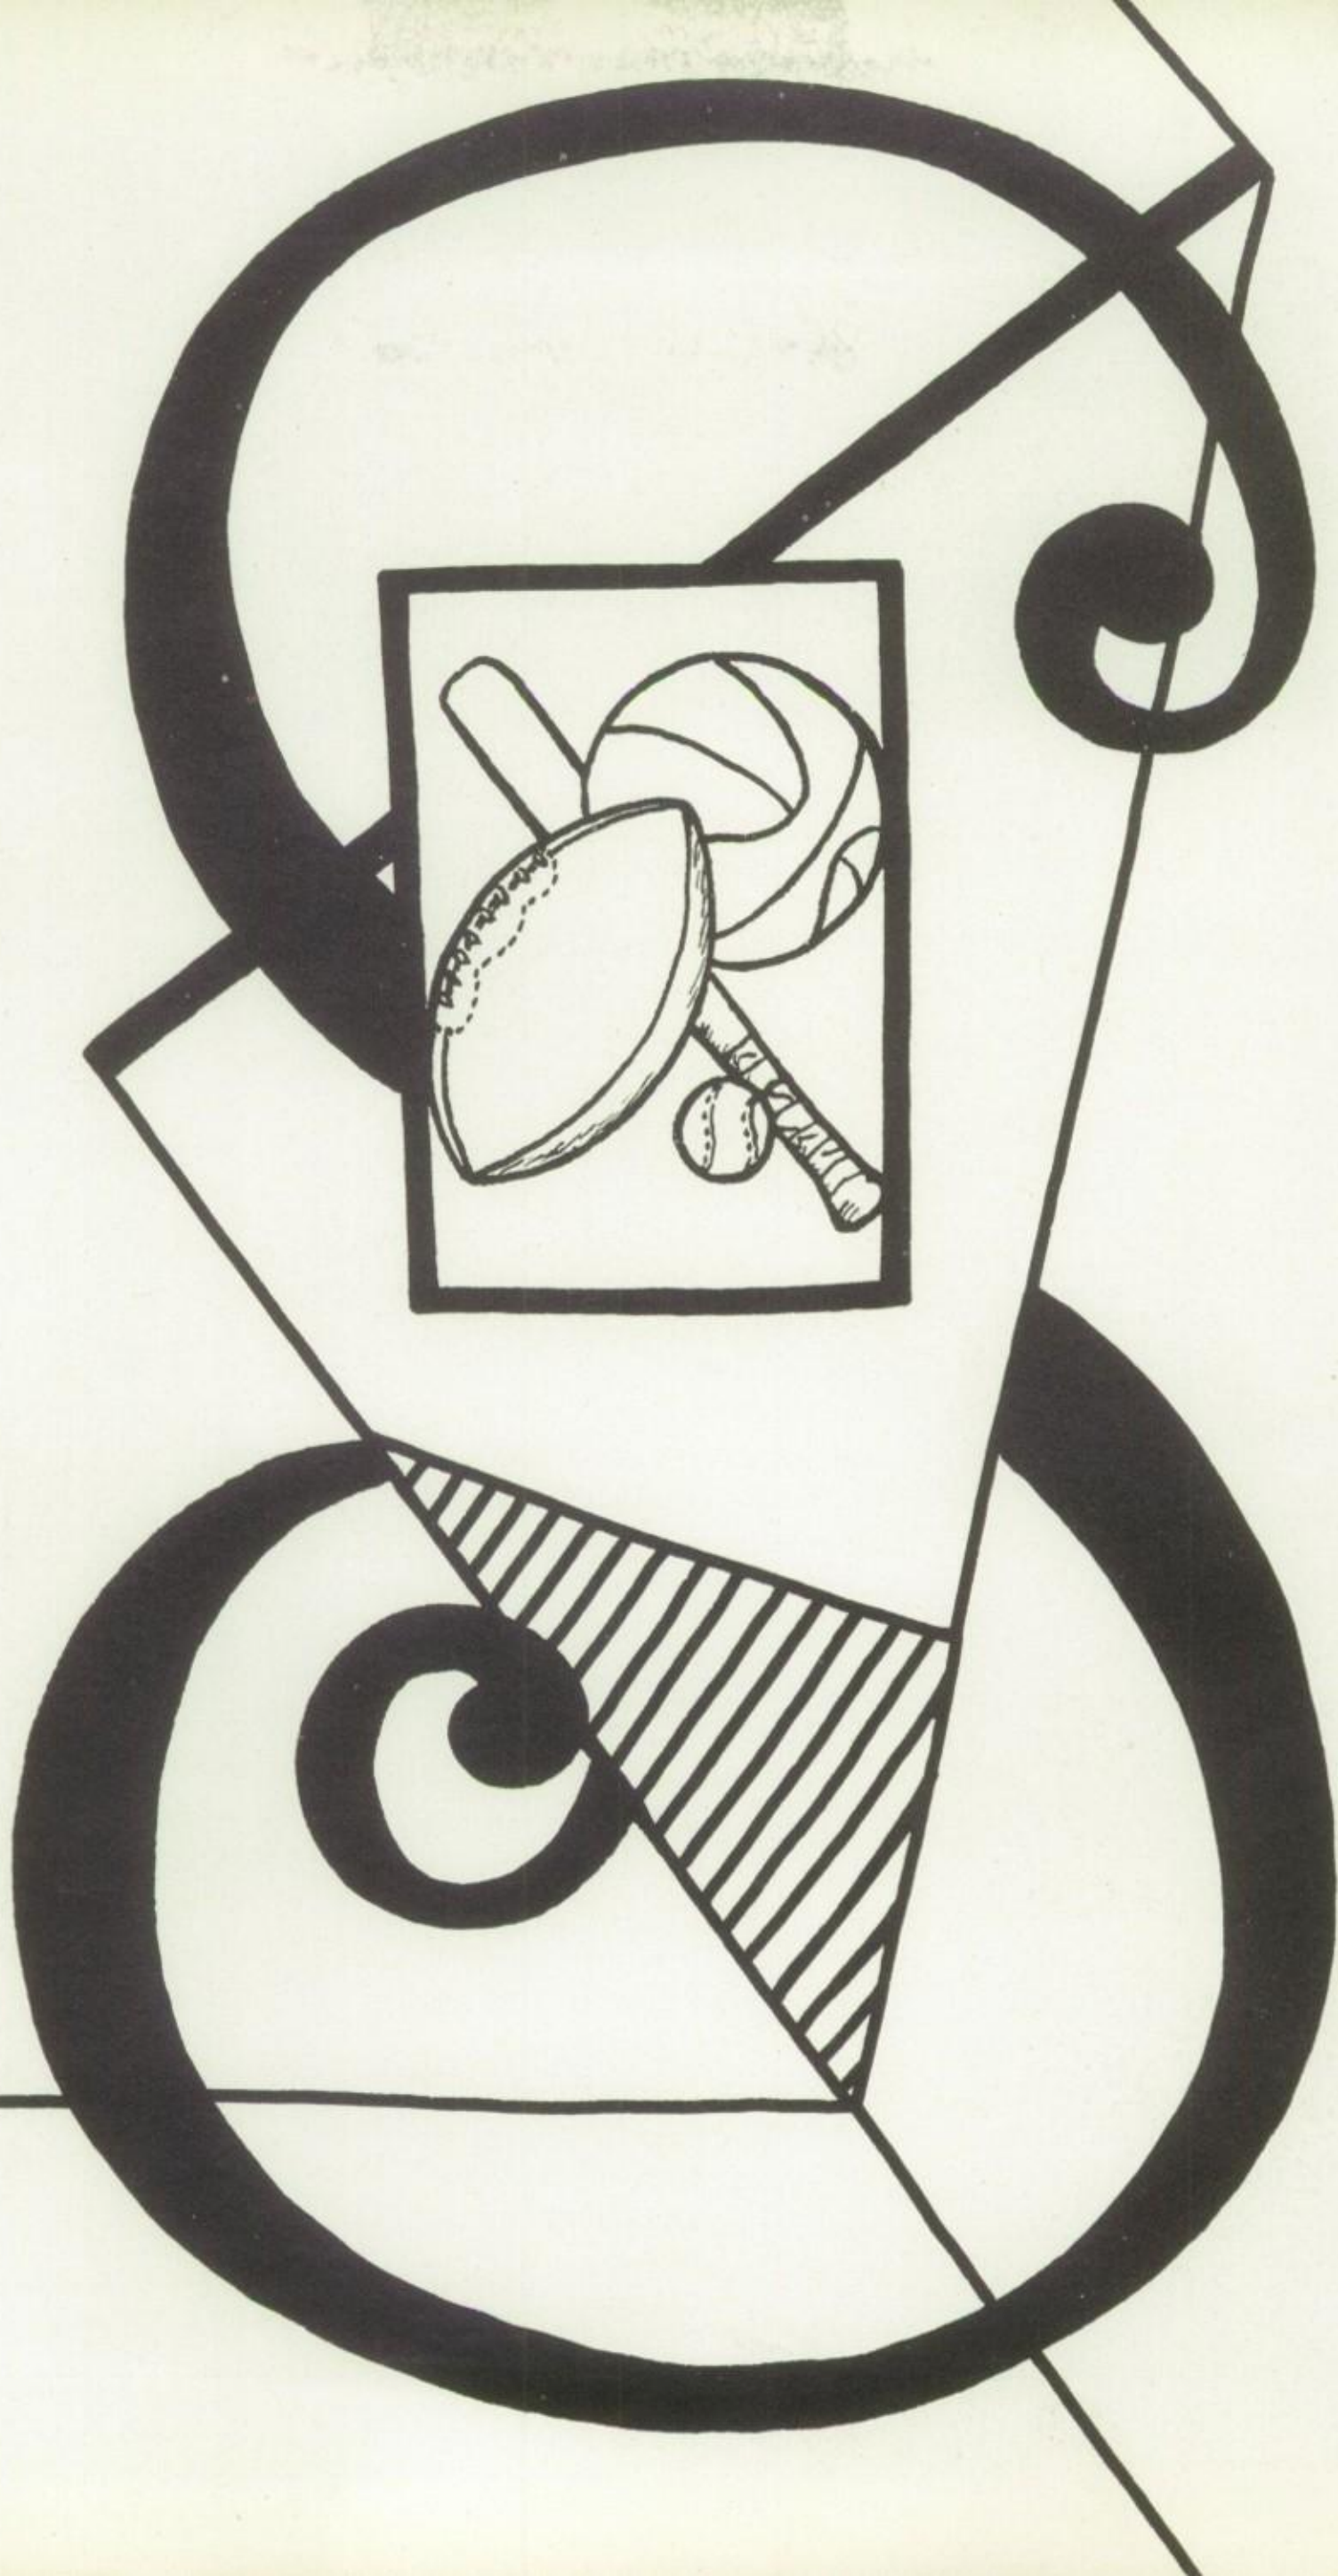

The construction of the new grade school was interesting to the students of G. H. S. The progress of it can be seen by comparing the picture at the left taken in November, 1955, to the two above which were taken in May, 1956.

The picture directly above shows the interior of the new gymnasium which will eventually seat 1,500 people. The top picture gives a view of the school from Yeasting Street. The picture at the left is of the same area, but it shows the construction at an earlier date.

ACTION

Though we did not take the conference trophy this year the team did a wonderful job on the gridiron. The spirited Bears never admitted defeat although the odds were frequently against them. They played with pep, sparkle, and intelligence until the very last minute of every game.
